

## THE WAIT IS OVER, YOUR NEWBORN BABY IS FINALLY HERE

The birth of your baby is one of the most cherished and memorable events in your family's life.

It touches and bonds parents, grandparents, siblings, godparents and other family and friends like few other experiences in your life. Nothing compares to the joy and fulfilment of seeing and holding your family's newborn for the first time.

As you start a new journey with a little hand to hold we invite you to celebrate this important occasion by purchasing a San Baby Teddy Bear keepsake. Each endearing bear is engraved with your baby's name and date of birth, and is placed on a special San Baby Bear Tree within the maternity unit of the hospital. Children and adults alike love the cute but elegant silver or gold engraved bears that welcome visitors on their arrival.

### THE SAN FOUNDATION

The San Foundation is committed to supporting the San in the provision of world class facilities, cutting edge equipment and medical care to its patients.

This is achieved through community support and donations, assisting the San in being a leading provider of healthcare.

Thank you for your support.
